

ACUBIZ TRAVEL MANAGEMENT SERVICE

Book your hotels And manage all your hotel expenses in one platform

Acubiz Travel Management Service (TMS) is a simple solution, which streamlines the processes of booking hotels. If you are not currently making use of a specific travel agency, you now have the opportunity to book your hotel via Acubiz TMS.

Avoid the difficulties and the additional costs you experience when using different travel agencies. Acubiz TMS delivers a transparent overview of all your hotel expenses, and in addition you will receive VAT compliant invoices which will be managed directly in Acubiz EMS.

Automatic foreign VAT refund

Supplementary to Acubiz TMS, you can acquire our Acubiz VAT refund service, which together with Cash Back assists you to recover your foreign VAT on travel expenses. When you book your hotels via Acubiz TMS, and you pay on location, you take a picture of your receipt as usual. Then, the transaction of your purchase will be added to your invoice, and this invoice enables you to claim back your foreign VAT.

Beneficial discounts and search options

Acubiz TMS gives you access to an extensive data base, which provide you with the opportunity to obtain the most beneficial prices through among others Expedia.com and booking.com. Additionally, you can receive discounts on selected travels, simply by choosing the travels marked with the Acubiz logo.
